### **News from this week**

#### Happy New Year!

Happy New Year to all our families. It has been lovely seeing all the children back in school this week looking refreshed and rested after their holiday.

We are looking forward to another successful term working together. Please remember that if you have any concerns about your child, you can contact them using their email address, through Classdojo, in person at the door or via telephone through the school office. Similarly, if you have any good news to share about your child, we would love to hear about those too.

#### Resolutions

We talked about resolutions in assembly at the beginning of the week and I asked the whole school to try to be the best version of themselves as a resolution for this week. We also talked about the idea that resolutions can be set at any time and that they don't have to wait until the new year to set them but that we can resolve to be better at something whenever we like. During this half term we will be continuing to talk about making resolutions to improve ourselves.

#### School Council Healthy Tuck Shop

The School Council opened their healthy tuck shop this week. They will be selling fruit every Tuesday, Wednesday and Thursday for 20p a piece to KS2 children. If there is any fruit left on Friday, they will sell it alongside the buns at the same price or 3 pieces of fruit for 50p.

The School Councillors are monitoring the expenditure and income from their shop (with a little help from Mr Laycock) and are hoping these will balance at the end of the term so that they can carry on with this shop in the Summer term.

If your KS2 child would like a piece of fruit on Tuesday, Wednesday or Thursday, please send them with 20p.

### **Information for next week**

#### DEADLINE FOR APPLICATIONS FOR RECEPTION SEPTEMBER 2020

Please remember to submit your application for places in Reception for September by Wednesday, 15<sup>th</sup> January as after this date, your application would be treated as a late application. Please remind other parents of children known to you within the community that they need to complete their application.

If you are struggling to complete it or need support knowing where to go for information, please contact Mrs Lowerson through the school office who will be happy to complete it with you.

#### Uniform

We will be reminding children about the importance of smart and appropriate school uniform next week. Please can you make sure that your child has correct school

uniform on all the time. This includes small hair accessories that are blue, black or white, no hoodies and plain black shoes or trainers. PE kits should include a plain white t-shirt (or a plain white t-shirt with the school logo), plain navy shorts or leggings and pumps or trainers. Please make sure this is in a drawstring bag so that it hangs easily on our pegs.

### **Other information**

#### Old Bikes

If your child has had a new bike for Christmas and you have an old one cluttering up your garage or shed, please can you donate it to school? We are looking to set up a Cycling Club with help from Mr Craig Moffat and we need a bank of bikes. If your old bikes are not quite in good working order, please don't worry we would still like them as Craig will mend and service them for us prior to the club starting. If you need someone to collect it from you, please contact the school office and we can arrange this.

#### Water Bottles

We have a stock of Withinfields water bottles if anyone wants to purchase one for their child. They are priced at £1.50 and can be bought using cash at the office or online. If you pay online, the school office will ensure that your child's name is put on the bottle and it is given to your child.
