### **News from this week**

#### Cross Country Success!

Well done to our children who went on to the Calderdale finals for the cross country competition this week. They continued to try their best in their races and, given that they were racing against the best runners in Calderdale, did extremely well.

A special mention needs to go to Sam Keighley though who came first in his race and so will definitely go through to the West Yorkshire finals. Who knows....Withinfields might be represented at the National stage this year!

#### Million word readers

We have presented three badges this term to children who have read 1 million words since the start of the academic year! This is a very impressive achievement and we look forward to presenting more. The race is certainly on for which Y5 child will get a badge first!

### **Information for next week**

#### Parents Evening

Please watch out for the parents evening letter early next week so that you can make an appointment for the end of the month.

#### Bikes for sale flier

You should have received a flier with this newsletter advertising some bikes for sale. The proceeds from these will buy parts for bikes that have been donated to school. Please contact Craig directly if interested.

#### Withinfields Website

We have been hard at work creating a new website for our school. It can be found in the same place as previously at [www.withinfields.calderdale.sch.uk](http://www.withinfields.calderdale.sch.uk). We would welcome any feedback from parents about the ease of finding information and if there is any other information which you would find useful on the site, please let us know.
