

WITHINFIELDS PRIMARY SCHOOL

Home Learning ideas

Week Commencing: 30.03.2020

Year group: 4

<p>Reading activities including phonics practice for children in KS1</p> <p>Activities: Read Cool Clive found here: Cool Clive and answer the questions on the front cover of the book. This is an audio book so you can hear it being read too!</p> <p>Have a go at the daily reading challenge here: Twinkl reading challenge There is one for each day of the week.</p>	<p>Maths basic practice</p> <p>Activities: TTRockstars soundcheck as a daily practice then why not challenge your friends in the arenas.</p> <p>Practice your knowledge of tenths and hundredths here: White Rose Maths</p> <p>Take the Year 4, Arithmetic quiz 1 here: Arithmetic quiz</p> <p>Make a shop with 'treats' or toys and label with various prices, including pounds and pence. Round and estimate the costs, calculate the totals and find the change.</p> <p>Measure as many objects as you can in your house and convert the measurements into mm/cm/m.</p>	<p>Physical activity – outside in the garden if fine or using a relevant link if not able to go outside</p> <p>Activities: Joe Wicks PE live video every morning at 9am – 9:30am on Youtube</p> <p>Play capture the tags: PE game capture the tags. See if you adapt the game or make up your own version with your own set of rules.</p> <p>Set up an assault course with anything you can find, e.g., skipping rope, ball, slide and ask time your family how long it takes to complete. Make it harder by adding more repetitions, e.g., skip 10 times, weave the ball around your legs 10 times, etc.</p>
<p>News update and discussion about what is going on in the world, country and locally. Try to focus on good news and other events rather than always focusing on COVID-19</p> <p>Keep a diary throughout the school closure of an event that happens each day – one sentence or a longer piece, a print-out of a story or a cutting from a newspaper</p>	<p>Break for lunch – develop your child's independence by involving them in the preparing of lunch, clearing away and washing up etc. For younger children, talk about numbers and fractions in real contexts e.g. how many halves of sandwiches do we have etc</p>	<p>Social activity e.g. playing a card game, board game, having a drink and snack, contacting relatives and friends etc</p>
<p>Writing or Spelling activity</p> <p>Activities: Complete the Writing activities on Rumpelstiltskin here: Pobble</p> <p>Use the spelling list of common exception words found at the link here: spelling list to write out words you find difficult to spell in as many ways using as many fancy letters as you can.</p> <p>Use your words to create a short story.</p> <p>Complete the punctuation activity sheets here: punctuation practice</p>	<p>Online learning activities</p> <p>Activities: Have a look at the Habitat activities and have a go at the classification key activity – what can you remember from our last set of science lessons? Habitats</p> <p>Can you find the countries of Europe using this interactive map? Map of Europe</p> <p>Have a go at some Star Wars coding: Star Wars Coding</p>	<p>Mindfulness activities</p> <p>Activities: Each day, do one of the Lego challenges found here: Lego challenge (There are 30 challenges).</p> <p>With one beanbag (which can be a small bag of rice or pasta for examples), begin developing the skill to throw and catch with one hand. Once you are comfortable with this, add a second beanbag and practise passing two beanbags to opposite hands at once. When you are confident with this, add a third beanbag. The challenge is the timing. Each bag must be thrown one after another and before the next one is caught.</p>
