

WITHINFIELDS PRIMARY SCHOOL

Home Learning ideas

Week Commencing: 30.3.20

Year group: 6

<p>Reading</p> <p>Using your Holes text, read two chapters each day – annotate each paragraph with a few words to summarise each. Make a list of any new vocabulary you come across and write the definitions (using an online dictionary if you don't have one at home).</p>	<p>Maths basic practice The maths activities sent home should be enough for two weeks' work (up to Easter), however, there are a few more activities below.</p> <p>1) Find the mean (average) age of all the people in your house. You do this by adding up all the ages and then dividing by the number of people. You could find the mean in years and also in months. 2) Create 10 BIDMAS calculations that have the answer 20. Try to use all of the elements of BIDMAS (Brackets, Indices, Division, Multiplication, Addition, Subtraction) 3) Try Activity 54 - 'Joins' from the 'Puzzles and Problems for year 5 and 6' booklet - the Qs & As are both uploaded to the website.</p>	<p>Physical activity</p> <p>PLAY TABLE TENNIS AT HOME WITH NO EQUIPMENT NEEDED!! (www.ttkidz.co.uk/playathome/)</p> <p>Visit this website to access some garden games that you can do with your family: www.peplanning.org.uk/peathome.html</p>
<p>News update and discussion about what is going on in the world, country and locally. Try to focus on good news and other events rather than always focusing on COVID-19</p> <p>Keep a diary throughout the school closure of an event that happens each day – one sentence or a longer piece, a print out of a story or a cutting from a newspaper</p>	<p>Break for lunch – develop your child's independence by involving them in the preparing of lunch, clearing away and washing up etc. For younger children, talk about numbers and fractions in real contexts e.g. how many halves of sandwiches do we have etc</p>	<p>Social activity e.g. playing a card game, board game, having a drink and snack, contacting relatives and friends etc</p>
<p>Writing or Spelling activity</p> <p>Practise the Year 5/6 spellings: (https://cdn.oxfordowl.co.uk/2019/08/29/13/56/09/5a42eb6a-f57f-4dc4-a66e-bd4c5e27e4b7/SpellingWordList_Y5-6.pdf)</p> <p>On YouTube, subscribe to 'Oxford Owl' by typing it in and clicking the button. On here you can watch many educational videos. This week I would like you to watch this video: (www.youtube.com/watch?v=7GAjEdOiNal) on the Present Perfect Tense and send me some sentences via class dojo that are written in this tense.</p>	<p>Online learning activities</p> <p>Listen to the David Walliams audio story of the day (one available every day for the next 30 days). (www.worldofdavidwalliams.com/elevenses/)</p> <p>You can access lots of online learning via your Monster SATs login and you can also access the Twinkl website free for one month using these login details: www.twinkl.co.uk/offer Offer code: UKTWINKLHELPS</p> <p>TT Rock Stars - increase your speed!</p>	<p>Mindfulness activities</p> <p>Listen to the Fun Kids Live educational podcast: (www.funkidslive.com/podcast/stuck/)</p> <p>Why not try some art? Visit these fantastic websites for some inspiration! www.artfulparent.com www.redtedart.com</p>
