

WITHINFIELDS PRIMARY SCHOOL

Home Learning ideas

Week Commencing: 18.5.2020

Year group: 5

<p>Reading activities including phonics practice for children in KS1</p> <p>Activities:</p> <p>Go to https://classroommagazines.scholastic.com/support/learnathome.html and sign up (it's free!).</p> <p>Spend some time exploring some of the articles in the Grade 3 – 5 section.</p>	<p>Maths basic practice</p> <p>Activities:</p> <p>Complete the 20 minutes of TT Rockstars over the week.</p> <p>Go to https://mathsbot.com/starter and select a different arithmetic task each day. (Please select a difficulty that challenges you!)</p> <p>Go to https://whiterosemaths.com/homelearning/year-5/</p> <p>Here there are 4 lessons to help you revise Fractions</p>	<p>Physical activity – outside in the garden if fine or using a relevant link if not able to go outside</p> <p>Activities:</p> <p>Have a look at https://www.nhsggc.org.uk/media/213470/haw_challenge_stair_climb.pdf</p> <p>Can you climb one of these mountains or famous buildings virtually by climbing your own stairs!! If this seems a bit too much of a challenge, why not start a little smaller (and local): There are 403 steps to the top of Wainhouse Tower in Halifax. You don't have to do it all in one go!!!</p>
<p>News update and discussion about what is going on in the world, country and locally. Try to focus on good news and other events rather than always focusing on COVID-19</p> <p>Keep a diary throughout the school closure of an event that happens each day – one sentence or a longer piece, a print out of a story or a cutting from a newspaper</p>	<p>Break for lunch – develop your child's independence by involving them in the preparing of lunch, clearing away and washing up etc. For younger children, talk about numbers and fractions in real contexts e.g. how many halves of sandwiches do we have etc</p>	<p>Social activity e.g. playing a card game, board game, having a drink and snack, contacting relatives and friends etc</p>
<p>Writing or Spelling activity</p> <p>Write a letter to your past self about the strange times we are now living in.</p> <p>What has changed? What is better? What is worse? Who do you miss this most? How is the lockdown making you feel? What is the first thing you are going to do when lock down ends properly? Do think life will ever go back to how it was? What are the benefits of lockdown?</p>	<p>Online learning activities</p> <p>Activities:</p> <p>Have a go at this Science Quiz (compete against parents / brothers / sisters)</p> <p>https://www.youtube.com/watch?v=6QLdx6ffpPM</p> <p>Then research some of the answers you didn't know!</p>	<p>Mindfulness activities</p> <p>Activities:</p> <p>Hopefully now that Toilet rolls are no longer a rarity, have a go at the 'Loo Roll Engineering Challenge' on https://www.whizzpopbang.com/lockdown-science/</p> <p>The competition is open until 31st May, so don't worry if you need to 'save up' a few loo rolls first!</p>
