

Week Commencing: 18.05.20

Year group: 6

Reading

Can you make inferences from pictures?

Use the pictures below or the Pobble365 website for more picture choices.

News update and discussion about what is going on in the world, country and locally. Try to focus on good news and other events rather than always focusing on COVID-19.

Keep a diary throughout the school closure of an event that happens each day – one sentence or a longer piece, a print out of a story or a cutting from a newspaper.

Writing activity

Can you write your own short story opener using a picture of your

Maths basic practice

This week, the focus is on revising **Shape, Space and Measure** activities that we have studied in year 6. We are focussing on **area and perimeter**.

1) There is a '**Zoo Challenge**' on the school website to have a go at. You can do all of it, some of it or also complete the extensions.

2) There is also a document called, '**Always Sometimes Never - Shape Space Measure**'. Choose one of the statements and investigate whether it is always, sometimes or never true. You can prove your ideas by drawing, writing, making etc. If you have time, investigate more of the statements.

Break for lunch – develop your child's independence by involving them in the preparing of lunch, clearing away and washing up etc. For younger children, talk about numbers and fractions in real contexts e.g. how many halves of sandwiches do we have etc.

Online learning activities

Draw with Rob Biddulph
Learn how to perfect your

Physical activity

Join Lionel Messi and other famous footballers with the '**keepie-uppie challenge**' with a loo roll!

I tried and managed THREE!

Dojo me to let me know how many you manage!

Break out a sweat and have some fun with these Disney Dance-Alongs!

Learn the moves or even put your own spin on the routines... There's plenty of choices including The Jungle Book, Moana, Little Mermaid and The Descendants!

Joe Wicks daily workouts.

Have some crazy dance fun with **Go Noodle** at www.gonoodle.com/

Learn while you move with **BBC Super-movers**:

www.bbc.co.uk/teach/supermovers

Social activity e.g. playing a card game, board game, having a drink and snack, contacting relatives and friends etc.

Mindfulness activities

Now that the weather is getting warmer, **go garden camping!**

choice from the [Pobble365](#) website? Try to include some year 6 features:

Fronted adverbial phrase
Semi colon / colon
Parentheses (brackets, commas or dashes)
Hyphenated word
Figurative language
Different sentence lengths
DADWAVERS

Miss Rothery's story opener:

All was silent in the forest; not a breath of wind could be felt or heard. Below the bare-branched trees, a blanket of crisp, crimson leaves lay on the forest floor. The serenity of the scene was gradually broken as a pair of boots (mud-stained and unusually empty) began to spring to life. Flexing, as if something had slipped inside them, a faint crunching noise emerged beneath them as the boots miraculously took a step forward...

drawing skills with these amazing tutorials... All you need is a piece of paper, a pencil and ten spare minutes!

Play games and learn on the [NASA Kids' Club](#) website or take a virtual tour of the planets in our solar system using [Solar System Scope](#).

Keep practising your language skills including French, German, Spanish, Italian and Mandarin using the [Rosetta Stone](#) free 3 month lockdown offer!

Play a wide range of educational games on the [Education Online Games](#) website.

You can access lots of online learning via your **Monster SATs** login and you can also access the Twinkl website free for one month using these login details:
www.twinkl.co.uk/offer
Offer code: **UKTWINKLHELPS**

Try and improve your speed on **TT Rock Stars**.

Download a free audio book from [the children's section of Audible](#) (free 30-day trial) – there's plenty of great choices including Roald Dahl, David Walliams, Tom Gates and JK Rowling's Harry Potter series.

Play hangman or charades! If people in your house are busy, why not arrange a skype or facetime with a friend?

Try some pebble art...

Make your own bird feeder using a four-pint milk bottle, felt tips / marker pens and any other bright things you can find to stick on!

Please send photos of anything you do to Miss Rothery or Mrs Barton via class dojo – we'd love to see what you've been getting up to!
