2nd October 2020

News from this week

Many apologies

On Tuesday, the fire alarm went off as the school gates were about to open. I have to congratulate the Out of School Club children for evacuating the building so beautifully. However, I also apologise to the many parents and children that had to wait outside the perimeter wall while we waited for the fire brigade to arrive and confirm the false alarm.

Thank you for your patience.

Achievement Beyond the Curriculum scores

The competition is now a few weeks in and the classes seem to be enjoying being part of a clan and trying to earn points for their class' clan.

The scores stand as follows:

Griffins 114 points

Dragons 96 points

Phoenix 90 points

Pegasus 72 points

Please encourage your child to do their homework as this earns their clan points as well as good attendance and Withinfields' Marathon laps.

Information for next week

Brighouse High School Information sessions

I have been told that Brighouse High School will be posting some information including virtual tours etc on their website next week so please keep checking back to have a look if you have a child in Year 6. There is already information on which was provided to the Year 6 children who have just moved up to Year 7 which your children may want to have a look at to start to familiarise themselves with life in secondary education. To view these resources, go to the Brighouse High home page and click on the 'transition' link on the right hand side of the page.

Other information

Headlice

We seem to have the usual Autumn influx of these pesky creatures. Please can all parents take the time to check their children's hair THIS WEEKEND and then treat any lice that are detected. By everyone doing it at the same time, we have a chance of eradicating them.

Many thanks!

Christmas Tree Plea

We are hoping to hold a Withinfields Christmas Tree festival this year within school to try to ensure that Christmas is still fun and exciting even though we will still be under strict restrictions.

If you are thinking of getting a new Christmas tree this year and have an old one that is still serviceable but that you no longer want, please can you consider donating it to school. We have some in school but not the 18 that

we'll need. We're hoping for nothing too large as they will be going in the shared area near the classrooms. If you have one, please let the office know so that we can arrange an appropriate way of receiving it in school.

Covid-19 Reminder

Please can I remind you that if anyone in your household has symptoms of Covid-19, the whole household should isolate and the person with symptoms should get a test. If the person with Covid-19 symptoms subsequently tests negative, then the rest of the household can return to school. If the person with symptoms tests positive, then the rest of the household should remain in isolation for the remainder of the 14 days.
