 Oven Baked Potato Wedges, Peas and Sweetcorn

A Selection of Desserts

**23<sup>rd</sup> October 2020**

### **News from this week**

#### Poppy Sales

Many thanks to all those families that have supported the Royal British Legion by buying poppy items. There are lots of children wearing their poppies with pride.

#### Assistant Head

We are delighted to announce that after a very successful interview day, we have appointed Miss Rothery as our Assistant Head. This is a role which will support myself and Mrs Barton, the deputy, to lead the school. Miss Rothery's new role will include ensuring that our Pupil Premium funding is spent to positively impact on our children and she will also be our named SENDCo.

Congratulations to Miss Rothery!

### **Information for next week**

#### Spice Homework

Your child should have received some spice homework today. For those new to school, this is homework that is set for the holidays for all children. This half term the homework relates to poppies and Remembrance Day which we will commemorate after half term.

Please support your child to complete this work.

#### Half Term

Next week is half term and so children will not be in school. The school also has a training day on Monday 2<sup>nd</sup> November and therefore the children will not be returning to school until Tuesday, 3<sup>rd</sup> November. We will be utilising the training day to start to develop staff skills in setting work online for children should the need arise for a bubble to self-isolate at home.

Although it is the holidays, it is still important that, as a school, we keep track of the health of all children particularly in relation to COVID-19. If your child displays symptoms of COVID-19 within the holidays and their test proves positive, please let me know via [helen.york@withinfields.calderdale.sch.uk](mailto:helen.york@withinfields.calderdale.sch.uk) or on ClassDojo. This is so that we can support public health in identifying other children and staff that may have had contact with them and may need to self-isolate.

Please also remember that if your child has been in contact with anyone with a positive test result during the holidays that they should self-isolate for 14 days and should not return to school until these 14 days have completed. Similarly, if they have been in contact with someone with symptoms, they should isolate for 14 days unless the person with symptoms has a test and it comes back with a negative result.

### **Other information**

#### Online safety

I mentioned in the newsletter last week about monitoring children's online use especially in relation to mobile phones. Many thanks to parents who have been monitoring their child's use.

We have found two apps. One which is for apple phones and another for other devices which parents may find useful. The links to them is below:

Apple devices:
