**9<sup>th</sup> November 2020**

**News from this week**

Bike and Scooter Racks

As we are part of the School Streets Scheme, we have had a scooter and a bike rack funded and positioned in our school grounds. This means that any child coming to school on their bike or scooter can fasten it into the stands during the school day. Please remember to bring a suitable lock to be able to secure it to the stand. Although we have positioned the stands near the building so that they are visible during the school day, we cannot promise that they will be monitored throughout the whole day so cannot take responsibility for the bikes and scooters should a theft or damage take place.

Thank you

Many thanks to everyone for adjusting their timings to ensure that pick ups and drop offs are staggered properly. This is much appreciated as is the wearing of face masks while on site.

**Information for next week**

Maths Week England Rock Out 2020

TT Rockstars is hosting a tournament between all schools who subscribe to their services and we have joined the competition. All children in Y3 to Y6 should have a TT Rockstars login and therefore can get cracking earning points for our school. Y2 should be bringing their login home tomorrow so that they can join in. If your child cannot remember their login details, please contact your child's classteacher.

Book Fair

We have a book fair booked for week commencing 16<sup>th</sup> November. We have left this booking but obviously it will need to run differently this time as parents cannot come into school.

On Friday, 13<sup>th</sup> November, each class in school will be able to have a look at the books in the book fair with classes going one class at a time. Each child will then bring home an order form that has all the books on it so that if a child has seen a book that they like, they can ask an adult at home if they are able to purchase it,

If you would like to order a book, you will return the order form with the payment and we will make sure that the child gets the book. If more people order a particular book than we have copies, we are able to order these books and so your child will still get the book although there may be a little delay.

We have been able to replace our atlases, dictionaries and thesauri with the commission from these book fairs as well as improving our stock of books in classrooms and so we would really encourage you to order a book if you are able.

**Other information**

Bubble Closure

We have unfortunately had to close our EYFS bubble this week due to a positive covid-19 case. Please see the

attached letter which public health have asked us to send out to parents in the year groups not affected by the closure.
