 Yoghurt

4th December 2020

News from this week

Welcome back, Switzerland!

It was lovely to welcome back Switzerland on Wednesday. I have posted a link on Classdojo to a survey for those parents that had children in Switzerland self-isolating to evaluate our home learning provision. Please follow the link and give us some feedback so that we can continue to improve and refine our home learning provision.

Information for next week

Raffle donations

Many thanks for all the donations so far for the class raffle prizes. Please continue to send in donations of your class colour for the rest of this coming week. We will then post some photos on classdojo so that you can see what prizes are available and will hopefully tempt you into purchasing the raffle tickets that came home last week.

If you need additional raffle tickets, please do not hesitate to contact the office and they will either fill them in for you so that you can just pay online or will send them home for you to return.

As we haven't had a Christmas fayre this year, we can't sell tickets for our EYFS nativity and can't hold our normal secret shop, we are relying on this raffle as our main source of income this Christmas for our enrichment pot. This funds workshops in school and we are hoping it will fund educational visits when we are allowed to resume these. Your support is very much appreciated.

Other information

Nails on the pavement

A parent has alerted me to the fact that, on a number of occasions, she has found a handful of nails on the pavement next to the cycle lane. She was concerned that other parents' tyres may get damaged if you weren't made aware.

School Lunch in first week after Christmas

During the first week after the Christmas holidays, we are having some work done in our school kitchen. This means that we will not be able to cook food. We will still be providing lunches which will consist of a sandwich, a packet of crisps, a piece of fruit and a biscuit. We will ask the children next week to order the sandwich fillings that they would like for each day during that week. If your child normally has a school dinner but you'd rather them bring a packed lunch from home during this week of a sandwich only option, please let the office staff know so that we don't ask them to order a sandwich. If you are happy for your child to continue having a school lunch as normal during this week, you don't need to do anything.

Christmas Festivities

Please see the newsletter last week for lots of information about Christmas events in the next two weeks. Please note that the diary dates information for the Christmas videos were incorrect but are correct on this newsletter.

When it is your child's Christmas party, they may come in their party clothes for the whole day. Please remember though that they may still be playing out so they should bring an extra layer if necessary to keep themselves warm at playtimes and on the 1k. We will be providing each child with some juice and a sweet treat at the end of their party and do not need any donations of food from home.

Nursery children who are not normally in school on Monday morning are very welcome to come to the Nursery Christmas party in the last week. Please bring them to the Nursery door at 9am and collect them at 10.45am.

Reception Intake 2021

The application process is open for children needing a school place in September 2021. If you are a parent of a child in Nursery, please do not forget to submit your application before 15th January.

If you know of other children in the village or within your circle of family or friends who have a child who will be 4 on 31st August, please invite them to give me a ring so that I can answer any questions or queries they may have.
