### **News from this week**

#### Local Authority Monitoring

We have had a virtual monitoring visit with our School Effectiveness Officer this week who focused her monitoring on Design Technology this time. She talked to Mrs Whitaker who is our DT Subject Leader, spoke to some teaching staff and also spoke to some children and looked at their work. She was impressed with the provision in this subject and the enthusiasm shown by all.

### **Information for next week**

#### Gifts for staff

A few parents have asked whether their children can bring in gifts for staff. Although staff do not expect gifts, if your child would like to give them a gift, please can they bring these in early in the week next week so that they can leave them to quarantine before taking them home at the end of the week. If they can be brought in a plastic carrier, even better, as these can then be wiped down.

#### Christmas Raffle

Many thanks for the donations of raffle prizes for the class hampers. We have had donations ranging from bottles of spirits to sweets to amusing gifts. They will certainly be prizes worth winning! We will draw the raffle in school on Thursday so that we can let the winners know in time for the prizes to be collected. If you still want to purchase raffle tickets, please let the office staff know.

#### Next Friday

Next Friday is Christmas jumper day! We will be collecting donations to be donated to Save the Children. Children can come in any form of non-uniform but Christmas jumpers are particularly encouraged.

Y5 and 6 children are reminded to bring a snack as they will be served their Christmas dinner last and therefore will be able to eat a snack during the latter part of the morning.

#### Party Days

Children can come in party clothes or non-uniform for the day which their party is held on next week – see diary dates table. Please remember though that they will be playing out and therefore need sensible shoes and a warm layer.

### **Other information**

#### Poppy Sales

The Royal British Legion have informed us that we supported them in raising £276.10 through our poppy appeal. Thank you for your support.

#### End of term

This is the last newsletter of 2020. It has certainly been a very different and at times challenging year for us all. As staff, we cannot express enough how thankful we are to be part of the Withinfields' Community which has such supportive parents who were amazing during this year in working with us to see lockdown through and supporting us to reopen as soon as we could. We are extremely

proud of every single child in terms of the work that they have done this term whilst showing amazing resilience in getting back into the swing of school. We look forward to seeing you all again in 2021 but wish you a peaceful Christmas and a happy and healthy new year.
