## Information from this week

### PE Sports Photos

Well done to all those children who sent in photos of themselves involved in physical activity during lockdown. Mrs Wilson has chosen three children to receive prizes:

Amelia

Joseph

Bailey

### World Book Day

Well done to everyone who took part in our World Book Day celebrations whether at home or at school. We were really impressed with your contributions and participation. For those that want to, please save your costumes because we are going to celebrate Comic Relief Day in style on 18<sup>th</sup> March and we are inviting you to wear your book character costume again on that day if you would like to. Otherwise, you can wear red!

### Secondary Allocations

Year 6 parents should have received an email on Monday to confirm their child's allocated secondary school. If you do not receive an email or have any problems with the allocation, please do not hesitate to contact us.

### Thank you!

We wrote a letter to each and every parent that had been delivering remote education to their child which was with the packs which many of you picked up for this week.

Because we are aware that some people didn't pick up their packs for this week, I wanted to share the content of the letter with you all:

"We have been so impressed with the way our children have been supported by you to:

- Access their zoom sessions
- Find and watch the teachers' videos online
- Complete their written work in their packs
- Return their work to their teachers either electronically or in a pack
- Keep going even when they were finding things tricky

We know that this means that many of you have had to find lots of patience, develop new ICT skills yourself and organise your home environment differently to give space, time and the equipment they needed to keep learning.

We just wanted to say a massive thank you for all your hard work over the last two months. You have been amazing and kept your child in touch with their learning in incredibly difficult circumstances. We are immensely proud of the huge TeamWithinfields effort."

### **Information for next week**

#### Reopening

You should have received a letter earlier in the week reminding you of own systems and routines. If you did not receive this letter, it is on the school website under newsletters.

One thing that I forgot to mention was that we are aware that it is tricky at the moment getting shoes and that some children's feet may have grown. Until shops reopen in the next phase of reducing lockdown, if your child has grown out of their school shoes and you cannot get any more, please send them in any shoes that are appropriate for playing out.

I know a few parents have said that their children have grown out of trousers etc too so please make sure you

check before Monday morning! If it's easier, you might want to think about replacing with summer dresses or shorts given the short timescale before the Summer term.

We are really looking forward to seeing all our children back as a real, rather than virtual, part of TeamWithinfields!

### **Other information**

#### Learning Support Opportunity in Y6

We are anticipating some additional funding for a child in Y6 and therefore if this is granted we will be looking to recruit someone on a fixed term contract for the Summer term. As the child would then leave school, I cannot confirm that there would be work available after July 2021.

If you would be interested in working 25 hours a week within the Year 6 team to support children with Special Educational Needs, please email me on [helen.york@withinfields.calderdale.sch.uk](mailto:helen.york@withinfields.calderdale.sch.uk) and I can forward you additional details and an application form.

#### Withinfields' Lottery

We are continuing to hold our Withinfields' Lottery so please do not hesitate to buy a ball on the gate on Friday or pay online and we will ring you so that you can choose your number. The more people that are in it, the greater the prize money!

#### Nursery for September

In the coming months, we will be starting to look at our Nursery intake for September. If you have a child that will be 3 years old by 31.8.21 please let Miss Redmond know if you would like them to have a place in our nursery. She will then be able to let you have the necessary forms to complete. Applications received after 23<sup>rd</sup> April will be treated as late applications and will be allocated sessions after all other applications have been processed.
