7th May 2021

News from this week

Life at Withinfields

We have started to include some updates and photos on our website showing what is going on at Withinfields. You can find this information as part of the News and Events tab which is also where the newsletters are posted each week if you scroll down to the bottom of the page.

This week, we have included some information about a Better Futures day that the Year 6 children took part in on Tuesday and some information from the Year 2's sandwich design topic.

Intra-School Sports

The sports competition this week has been 5-a-side football. As Monday and Tuesday matches were rained off, we are still awaiting the results. The children are becoming quite competitive about scoring points for their clan through these competitions!

Book Fair

The children have enjoyed having a look at the range of books available at the book fair this week. Please remember to send in your order form and payment if you would like to buy a book. Remember, all the books are buy two get one free!

Information for next week

Special Educational Needs Target Review

Staff will be reviewing the specific targets for children on the SEND register next week and will then get in touch with their parents to share the progress that they are making and any new targets that are set.

If you have any concerns about your child or their needs, our Special Educational Needs Coordinator is Miss Roxanne Rothery who can be contacted through the school office. She is also usually on the playground gate on Wednesday afternoons.

Other information

School Nursing Team

The School Nursing Team will be in school Monday 17th May to do the usual height and weight checks of Reception and Year 6 children. Please see the letter and leaflet attached.

Free Hockey Sessions

We have received information about free hockey taster sessions for children in Y3 to 6. They will take place at Halifax Hockey Club, Park Lane Academy AstroTurf on Tuesday June 8th and June 10 from 6pm to 7pm. Please contact Paulmgham@hotmail.co.uk for more details.

Nursery for September

The deadline for Nursery applications to be considered for September has passed but it is looking like the admissions are low at the moment so please recommend us if you have friends and family members who have a child who will be 3 on or before 31st August. I am happy

to show people around our nursery if they would like to make an appointment.

Coats

The weather at the moment is clearly very changeable and can look as though it is going to be a lovely day first thing in the morning and then we end up with hailstones during the afternoon! Please can you ensure that your child has a coat in school each day at the moment so that they can take part in outdoor activities.

Covid-19 reminder

Please can I remind parents that if anyone in the household or childcare bubble is experiencing symptoms of covid, the whole household should isolate until a PCR test has been completed and has come back negative or, if positive, until the date provided by test and trace.

If anyone in the household completes a lateral flow test which comes back positive, this should also lead to the whole household isolating until a PCR test has been completed.

Please can I remind parents that if anyone is showing symptoms of covid-19, they should not do a lateral flow test but should book a PCR test to confirm whether they are positive. Lateral flow tests are to identify people who do not have symptoms of COVID but are contagious with the virus.

If you need to inform us of absence, please leave a message as normal at the school office. However, if the absence is due to a positive test of a child, please email myself (head@withinfields.calderdale.sch.uk) or send me a classdojo message as soon as possible so that we can work with local public health officers to determine whether we need to inform others to also self-isolate.
