News from this week

Spotlight on PE

Teaching staff all completed some training relating to teaching dance this week. We will be applying the knowledge and skills that we learned within PE lessons this half term when all classes will be learning dance skills. The intra-school competition for the half term will be a dance competition between all the classes. Hopefully the children will all really enjoy this experience!

Good News Assembly

We have restarted these assemblies this week but need to keep numbers low in the hall so will only invite parents to attend if their child is due to receive an endeavour award. We aim to invite you by the end of Monday at the beginning of the week so that you can try to ensure that an adult is able to attend.

Information for next week

School Streets Scheme

We have been given a survey to send out to parents to ask for your views on the School Streets Scheme which is in place at our school. This includes the closing of the road during drop off and pick up times to allow safe roads near the school. Please consider completing the online survey by following the link:

Other information

Nasal Flu Vaccination forms

Please return these as soon as possible in the attached envelope for the school nursing team to collect. There is the option to opt-in or to opt-out and therefore it is really helpful to the team for it to be returned. The vaccination team will be in school on 19th November to administer to those that have opted-in but they have lots of administrative work to do inputting all the data from the forms before this so the sooner they have the forms back, the better.

Parents' Evening Arrangements

A letter will come out about this nearer the time but the date on the newsletter diary dates is for the face to face appointments and will be until 5pm. We will also be offering zoom appointments at other times during that week as feedback from last term was that some parents preferred the virtual meeting as it was easier in terms of childcare and other commitments that they may have.

Secondary open evenings

Just a reminder to Y6 parents that they need to complete an online application for their child for secondary school by the end of October. If you need any help accessing this or completing it, please do not hesitate to catch myself, Mrs Barton or Mrs Lowerson on the gate and we can arrange an appointment for you to do it in school. Many of the secondary schools are hoping to hold open evenings for the children and yourselves to visit to have a look around. The dates of these are as follows:

SCHOOL	OPEN EVENING DETAILS
