Fruit

Yoghurt

1st October 2021

News from this week

Spotlight on enriching the curriculum

At Withinfields, we ensure that all children receive a broad curriculum covering all the subjects that are part of the National Curriculum and Early Years framework. However, we also work hard to ensure that children have opportunities which enrich their experience and education. Where there is a cost for these, we fund them through our enrichment pot which parental contributions and fundraising activities financially support. This means that we don't need to ask families to contribute to trips (except the residential), workshops in school or other events.

Some of the provision has been affected by the last two years and the lockdowns and restrictions but we are starting to get back to normal. For example, Y3 are going on their trip on Wednesday to Yorkshire Sculpture Park. This is linked to their work in art about Henry Moore and sculpture. Some of the clay sculptures that they have done this week are amazing and I'm sure that they will enjoy seeing some of the larger scale sculptures on their trip. Y1 are also holding their family learning event in a few weeks linked to their kite making topic. We are really looking forward to being able to have parents and carers in school again working alongside their children!

We aim for all children to have access to a trip, a family learning event, a workshop activity and an enterprise activity (where they learn how to raise and manage money) each year. This is in addition to local visits which they may be involved in.

Let's hope that we manage to continue with more 'normal' activities for the whole year!

Information for next week

Poetry Festival

I've attached the poems that the children need to learn for the poetry festival. Please encourage your child to learn one of the poems by heart. Once they have learned one, they will be given chance to perform it in their class and the best three recitals will be taken forward to the grand final in the hall. Runners up will receive a poetry book and the winners from each year group will be taken to a children's book shop to choose a book of their choice.

Hello Yellow Day

We would like children to come to school in non-uniform next Friday for Hello Yellow Day. If they have yellow clothes or at least a yellow accessory, that would be amazing. The reason for the yellow clothing is that we are celebrating Hello Yellow Day which is a special day organised by Young Minds on World Mental Health Day. Young minds support mental health within children and young people and have a mission to aim to get support for children and young people more quickly when they need it.

Parents' Evening

Parents' Evening letters have been distributed this week. If you haven't made an appointment, please do so with your child's classteacher. You can choose between a face-to-face appointment on Thursday or a zoom call at one of the other times that your child's classteacher is offering. If you are attending on Thursday for a face-to-face appointment, please use the front entrance to sign into the building.

Other information

Secondary open evenings

Just a reminder to Y6 parents that Brighthouse High School open evening is next Thursday. Please see their website for more details.

Nursery for January

We are starting to look at our Nursery intake for January. If you have a child that will be 3 years old by 31.12.21 please let Miss Redmond know if you would like them to have a place in our nursery. She will then be able to let you have the necessary forms to complete. Equally if you have neighbours or friends that are interested in Nursery provision, please let them know that they need to contact school. Applications received after 7th October will be treated as late applications and will be allocated sessions after all other applications have been processed.
