8th October 2021

News from this week

Pride in our community

I have been incredibly proud of the behaviour and attitudes of all our children this week. To be honest, I am always proud of our children but this week, when our inspectors were in school, they excelled themselves. The children spoke confidently and passionately about our school community and showed off their beautiful manners and Withinfields' team spirit.

Many thanks also to all those parents and carers who completed the online survey and spoke to inspectors. Your views were incredibly positive which we were delighted about.

We are unable to give any feedback at this time on our inspection as all judgements remain confidential until we receive our final report which is likely to be after October half term. As soon as the final report is received, you will all receive a copy of it.

Hello Yellow Day

We are having a lovely day in school today. The staff have planned activities which support children's mental health for the day and encourage them to think about ways that they can relax and unwind. All classes are visiting our wildlife area to explore and be free. Thank you for your contributions which mean that we are able to send £239 To YoungMinds to support children's mental health.

Information for next week

Poetry Festival

This will take place on Friday morning. Finalists will be chosen early next week from each class. Please encourage your child to learn one of the poems to perform in school.

Harvest Festival

Our Harvest assemblies will take place next week with Year 1 and 2 leading these. Y1 and Y2 parents can either attend in the morning at 9.00am or at 2.30pm.

Next week, we are collecting male and female toiletries and food in tins and packets. This will be packed into shoeboxes for the Rotary Christmas Shoebox Appeal. These resources are distributed, at Christmas, to local families and people who need additional support.

In addition, if anyone would like an empty shoebox to fill with gifts for a child so that they receive a present at Christmas, please let the office know. These do not need to be returned until after October half term.

Other information

Secondary school applications

Just a reminder to Y6 parents that they need to complete the secondary application for their child before the end of October. If anyone has any difficulty accessing the online form or completing it, please contact us and Mrs

Lowerson would be happy to make an appointment to complete it with you.

Demonstrations of Learning

Don't forget to check the diary dates at the top of this newsletter to see whether your child's class has a demonstration of learning assembly this half term. The children love to see a parent or grandparent in the audience!

Advance reminder

Just a reminder that the Monday after half term is a training day for staff and therefore the children return on Tuesday, 2nd November.

Change to Out of School Club routine

For our Year 5 and Year 6 children, we have changed the arrangements for Out of School Club in the afternoon. All children in Year 5 and 6 who are on the register for Out of School Club each day will be collected from class and taken to Out of School Club (France) prior to the doors opening to allow the other children to leave. If you therefore have a child in Y5 and 6 booked into OOSC and you arrive instead to pick them up at 3.15pm, please go to the France cloakroom to collect them rather than waiting at their classroom door.
