FRIDAY

Salmon and Sweet Potato Fishcakes with Mayo
 Vegetable Nuggets
 Ham Wrap
 Cheese Wrap
 Chips, Peas and Sweetcorn

Raspberry Ripple Mousse

Fruit

Yoghurt

19th November 2021

News from this week

Open Day

We held two successful open day events on Wednesday with a number of families coming to have a look at Withinfields as a possible school for their child in September 2022.

If you know of any other families who are looking for a school ready for their child starting school in September, please encourage them to make an appointment with me to look around Withinfields.

Also, if you are aware of families who are dissatisfied with their child's primary school and they are looking to move them to an alternative, please encourage them to consider Withinfields.

Book fair

Many thanks to all those families who supported our book fair. We have raised over £500 in commission which we can spend on books to use in school. Your generous support is, as ever, appreciated.

Nursery Trip

I was very lucky on Thursday as I was invited on the Nursery trip to Tropical World in Leeds. The children were an absolute credit to their families and to the Nursery team as they behaved beautifully throughout the whole day. We all had a lovely time looking at lots of different animals and their habitats. The children's little legs walked a long way during the visit and it sounds as if they slept well last night! A big thank you goes to the children for being brilliant Withinfields ambassadors and to the staff who accompanied the visit.

Children in Need Day

Through your donations for non-uniform and the proceeds from our bun sale today, we have raised just over £480 for Children in Need. Well done, TeamWithinfields!

Information for next week

Year 1 Workshop

Year 1 are really looking forward to inviting Sam's Safari into school next week as part of their topic on animals. It is experiences like this that the enrichment pot helps to fund.

Other information

Bun donations

Please can I remind parents and carers that we cannot accept buns and cakes made at home for the bun sale each Friday due to the potential for transmission of Covid-19. We are very grateful for donations of buns, biscuits, donuts, cookies etc which are packaged though!

Current Local Advice for COVID-19 cases

Although latest data from Calderdale Public Health is showing that the number of cases is reducing, they are recommending the following guidance for the next few weeks for children with positive cases in their household.

If someone in the household has tested positive for COVID-19 (on LFD or PCR), Calderdale Public Health advise children and young people who attend school to stay at home. If they develop symptoms, they should get a PCR test straight away. If they don't have symptoms, they should get a PCR test 3-5 days after their household member started with symptoms (or took their test if they had no symptoms). If this test is negative, the child can return to school but must stay at home and arrange another test if they go on to develop symptoms. While they are away from school, we are able to class them as X in our register which means that they are off school because they are following Public Health advice and it doesn't affect their overall attendance figures.

Parents/carers who still want their child to continue to attend school have the right for them to do so. Calderdale Public Health would, however, still strongly advise getting a PCR for their child before they return. Reducing the risk of transmission is important for health reasons but also is important to reduce the overall disruption to education.

If you are in any doubt, please contact myself via ClassDojo or via email on helen.york@withinfields.calderdale.sch.uk.
