25th March 2022

News from this week

[Reception Science Workshop – funded through our enrichment pot](#)

The Reception children really enjoyed their workshop session this week linked to dinosaurs. There was lots of practical activities involved and the staff commented how fascinated the children were!

[Big Wheel and Walk](#)

Well done to everyone who has walked or wheeled this week, particularly those that wouldn't normally actively travel to school. The challenge continues next week and we are hoping that you will continue to support us so that we can have the greatest chance of winning a prize!

It has been great to see the cycle and scooter racks so full and hope that it has encouraged more families to walk regularly rather than always jumping in the car.

[Mothers' Day events – fundraising for enrichment pot](#)

Thank you so much for all the support towards the Mothers' Day events including those that allowed their children to buy gifts and those that enjoyed their breakfast with us this morning. We have managed to raise £537 through these fundraisers.

Information for next week

[Easter Raffle – fundraising for enrichment pot](#)

We will be holding this in the last week of term but have sent all children home with 10 raffle tickets today. If you would like to enter the raffle, please cut up the tickets and send the ones that you want to buy into school with £1 cash per ticket. For example, if you want to buy 3 tickets, just cut off three tickets, complete the details and send them into school with £3 cash. If you do not wish to buy any of the tickets, then please place the tickets in your recycling bag! The closing date for tickets is the end of school on Tuesday, 5th April.

Many thanks to all those staff and parents who have sent in Easter eggs. The stack is growing daily!

[Assessments next week](#)

Year 1, 3, 4 and 5 are taking part in assessments next week to check on their progress at this point in the year. Please try to ensure your children are in school on time so that they can start the assessments in a timely manner. We will, of course, let you know how your children have performed following the marking process.

[Non-uniform to support the people of Ukraine](#)

We will be having a non-uniform day next Friday where we are encouraging the children to wear blue and yellow. If you would like to make a donation to send to support people in Ukraine, please send this in cash to school on Friday.

Other information

[Reception Trip to Swithins Farm – funded through the enrichment pot](#)

Just an advance warning of the date for the trip to Swithins Farm for Reception children. This will take place on Wednesday, 27th April which is the first Wednesday after the Easter holidays. Look out for information from the Reception team.

[Reception and Nursery September intake](#)

Parents who have applied for a place for their child into Reception for September 2022 will be sent an email by Calderdale Admissions' Team on 19th April which is during the Easter holidays. If parents are not offered our school and wanted a place with us, please do not hesitate to contact me via ClassDojo or email during the Easter holidays and I will help you all I can.

Following the Reception allocations, we will be closing applications for our Nursery for September on 29th April. Places for Nursery will then be allocated to anyone who has applied before this date first. Anyone applying after 29th April may still get a place in Nursery but will be allocated sessions following the fulfilment of earlier applications.

[Unwanted Visitors](#)

I have been informed of a number of cases of headlice in school this week. Please can all families check their children's hair over the weekend and treat where necessary so that we can eradicate these irritating beasts!!
