 Fruit
 Yoghurt

29th April 2022

News from this week

[Reception Trip to Swithins Farm](#)

The Reception children had a lovely day at the farm. The photos of them feeding and caring for the animals were just gorgeous. Thank you to the parent helpers who supported the visit and for the children who behaved beautifully all day.

Return to school

The children have come back to school with enthusiasm this term ready for the final push before they move on to their new classes or school. The staff are really keen to make the most of every opportunity to recover the learning that some of the children lost during the lockdowns. We have lots of additional intervention taking place and boosters which I know will make a difference.

We have welcomed 4 new children into school and their peers have really made them settle quickly and they are all already a valuable part of our TeamWithinfields. It is always lovely to welcome new families.

Safeguarding assembly

In assembly, on Monday, I led our half termly safeguarding assembly which just reminds the children about the rules and systems that we have in school to ensure that all children stay safe. The children were amazing at remembering everything.

Please can I remind parents that one of our safety rules is that children don't go on to the grass at playtimes so that they stay away from the perimeter wall. If you happen to be passing school when the children are playing out, please remember this and don't encourage your child to approach you. A wave is obviously fine!

Also, I talked to the Y5/6 children about what they would do if they'd walked home alone and there was nobody in at home when they got there and they couldn't get in touch with a parent. I suggested that children walking home alone from Y5/6 might put the school telephone number into their contacts on their phone so that they could ring school in this situation.

Information for next week

[Y5 trip to Yorkshire Wildlife Park](#)

The Year 5 children will be visiting Yorkshire Wildlife Park on Wednesday next week to link with their work in Science. I'm sure they will have a great day.

May Bank Holiday

Please don't forget that Monday is a Bank Holiday and therefore we return to school on Tuesday after the weekend.

Polling Day

On Thursday, it is a polling day. If you have a polling card which states that you are voting on our site, please be aware that the Children's Centre is the building that you need to come to if you are attending to vote.

Please be aware that the children who would normally be in the Children's Centre for Out of School Club will be using a classroom in school so should be dropped off and collected from the school main entrance on Thursday.
