 Fruit  
 Yoghurt

**13<sup>th</sup> January 2023**

### **News from this week**

#### Parents' Evening

You should have received a link to a form to complete to request a parents' evening appointment. There is a different link per class so please complete each link for each of your children.

This is the first time that we have organised appointments in this way and your feedback would be very much appreciated. Please just let me know your thoughts when you see me at the gate. We will be learning from the system and improving it next time we do a parents' evening.

Please remember to complete the form as it is important to us that we get 100% attendance at this event so that all parents are updated on their child's school journey.

#### Doctorate Research working with Derby University

Attached to this newsletter is the information mentioned in last week's newsletter regarding this research project that we are supporting. If you are happy to take part in the baseline survey to gain a perception of the level of wellbeing in Withinfields, please complete the questionnaire by following this link:

<https://forms.office.com/r/sm0drAQwj5>

Children in Years 4, 5 and 6 will be completing a similar survey next week unless you wish to opt out of this on behalf of your child. Those parents in Years 4, 5 and 6 will also have received additional information in relation to their child's participation. If you would like to opt out of your child taking part in this questionnaire, please email [helen.york@withinfields.calderdale.sch.uk](mailto:helen.york@withinfields.calderdale.sch.uk) by the end of Monday so that arrangements can be made.

Many thanks for your support.

### **Information for next week**

#### EHNA

Every year, our Year 5 and 6 children take part in an online survey called the Electronic Health Needs Assessment. This does not collect individual information about children but asks them a range of questions regarding their general health and wellbeing.

The information gathered is then utilised to inform local services and priorities as well as providing a summary report to us. We then use this to inform our PRHE curriculum and other work that we do.

The survey will be completed by the children in the coming weeks with staff supporting those that might find the reading of the questions difficult.

### **Other Information**

#### Reception applications

Well done to all the Nursery parents. All parents had submitted an application for a Reception place prior to the deadline which means that none of the children will be dealt with as a late application. This is good news for all

our Nursery children and we look forward to getting our list of children for September in April.

### **In case you missed it**

#### Active Withinfields

Our first challenge for January is to play in the snow (or if the weather prevents that, to take a walk in the woods). Build a snowman, have a snowball fight, go sledging, make snow angels, or just take a wintry walk. Please send a photo to your child's class teacher on Clasdojo of your child or whole family doing the activity for some bonus clan points! Ms Wilson and Mr Griffiths would also love to see your photos so please send them to them too!

#### Nursery intakes

The deadline for completing an expression of interest form for the nursery intake in September (children who are 3 on or before 31<sup>st</sup> August) is 24<sup>th</sup> April. We will still accept forms after this but they will be allocated places after the people who have handed forms in by 24<sup>th</sup> April.

Many thanks for those parents that have already filled forms in for Nursery places.
