10th March 2023

News from last week

Thank you

Many thanks for the amazing effort that all parents and carers made to collect children early on Thursday and for your understanding during the closure day on Friday.

I had loads of amazing photos of children really enjoying the snow and also lots of evidence of children taking part in some of the learning activities.

Information for this week

Book Fair

The Book Fair will open on Thursday after school in place of us not being able to open it last week.

Strike Days

The final two planned strike days by the NEU will take place on Wednesday and Thursday. This will mean that we need to close to some year groups.

On Wednesday, Y6 will not be able to be in school but all other year groups should attend as normal.

On Thursday, Reception will not be able to be in school but all other year groups should attend as normal.

As Thursday is the planned date for the class photos, we have got in touch with the photographer to work out the best course of action. We have rearranged these for all classes and they will now take place on 28th March.

Mothers' Day Breakfast

We are holding a community breakfast on Friday 17th March to celebrate Mothers' Day. We will be serving a mini cooked breakfast comprising of sausage, bacon (or two vegetarian sausages), hashbrown, beans, toast and a drink for £3.50 per person. You can join us from 8am with the children going to class as normal at 8.40am. Any profit made from this event will go to our enrichment pot which pays for all trips (except the residential) and workshops in school.

To book a breakfast, please login to your School Gateway and pay for the number of breakfasts that you will require using the 'Mothers' day Breakfast – March 23' payment. This then means that we can be sure to cater for enough people.

Other Information

Spare coats

We have a number of children in Nursery that love rolling in the mud! We are hoping to collect old coats that children have grown out of so that the children can put these on when getting dirty outside and then we can wash them all at the end of the week.

If you have any old coats, age 3, 4, 5 or 6, please can you drop them at the nursery door.

I can assure you that the parents of these children would definitely be grateful that their normal coat wasn't used for this activity!

Southowram Cricket Club

Please see the bottom of this newsletter for some information about activities at Southowram Cricket Club.

Active Withinfields

The March challenge for being active at home is to travel to school actively. This fits with our Big Walk and Wheel event that is taking place from 20th to 31st March. If your child normally walks, cycles, or scoots to school, then you can take a photograph next week and send it in. If you don't normally walk, please try to walk, or wheel during the Big Walk and Wheel event.

We are hoping to get into the top 5 in Calderdale for this event this year as we were 7th last year and just missed out on the prizes. We realise that some children live too far away to walk all the way but please consider parking a little further away and walking a short distance to school so that we can count your child as having walked to school.

The staff are hoping to join in with the walking and sharing of photos this year too!

In case you missed it

Nursery intakes

The deadline for completing an expression of interest form for the nursery intake in September (children who are 3 on or before 31st August) is 24th April. We will still accept forms after this but they will be allocated places after the people who have handed forms in by 24th April.

Many thanks for those parents that have already filled forms in for Nursery places.
