Fruit
Yoghurt

News from this week

Return to school

Children seem to have returned to school ready to learn and make progress. We have been complimented by visitors to school this week on how calm our school is and how positively the children behave. We are always proud when people notice this about our school community.

Permissions Links

We have sent out a link for each year group in school this week. This is so that we can renew the permissions that we hold for different activities that happen. If you have not completed the permissions form, please do so over the weekend so that we can finalise the lists for each year group. The links can be found on Class Dojo Whole School Story.

Information for next week

Parents' Evening

This will take place on Thursday, 1st February, from 2pm to 7pm. We will send out links to forms for each class next week for parents to make appointments. Please ensure that you complete a form for each child using their year group's link.

Councillor Visit

Councillor Tremayne is visiting our school next week to investigate our provision for emotional wellbeing. Our Local Public Health officer has suggested that Councillor Tremayne comes following a visit that she conducted last term where she was impressed with the importance that we place on this at Withinfields. Councillor Tremayne will be talking to me and meeting a group of children before enjoying a school lunch and chatting to the children informally.

Other information

Safeguarding Children

Following the information that I provided on Class Dojo on Wednesday evening, thank you to those parents and grandparents that have expressed to me their intention to look out for all our children while walking to and from school. It is always reassuring how well our Withinfields' community pull together when there are situations such as this.

Withinfields' Facebook

We are starting to plan the implementation of a Withinfields' Facebook account. This will be used alongside ClassDojo with us initially focusing on reminders about events that are coming up.

I would be interested in your thoughts about how this could work alongside our current communication systems and what would be useful.

Recycling unused gifts

If you have received any gifts that you do not have a use for e.g. toiletries, duplicate games or toys etc, we would love to take them off your hands for us to store in

readiness for our Summer Fayre tombola. Please just send them into school and we will put them somewhere safe until the summer.

Hoodies

Due to the popularity of our school hoodies, we have decided to do another order. The hoodies are £14 for sizes aged 3/4, 5/6, 7/8, 9/11 and 12/13. There are adult sizes available for our older children at £19.50. We have been told that they fit small. If you are unsure which size to order, we do have a sample of each in school which you can try on your child.

They are ordered through School Gateway. Please pay the appropriate amount and indicate the size in the comment box when ordering.

Deadline for orders is Thursday 18th January.
