Fruit
Yoghurt

News from this week

Parents' Evening

Thank you, as always, to everyone who attended Parents' evening or have made alternative arrangements to catch up with teaching staff. It is always lovely to see parents and the teaching staff find it really useful to share information with parents so that we can continue to work in partnership with each other for the benefit of your children.

Newsletter survey

Thank you to those people that indicated that they read the weekly newsletter by completing the survey last week. The random winner of the bottle of prosecco will be presented with their prize today. 77 people indicated that they read the newsletter each week and so it is worth continuing with this means of communication. However, we will also be looking at how we can increase the number of readers so that all our parents are fully informed about aspects of school life.

Information for next week

Demonstrations of Learning

These are taking place for Greece on Tuesday, Reception on Wednesday and Poland on Thursday next week. Parents and carers connected with these classes are welcome to attend from 2.40pm. We look forward to seeing you there.

Other information

Parking issues

I have been contacted by a resident on Fairfax Crescent about issues around parking. She was concerned by a number of different issues including parents double parking, drivers not giving way, people parking over driveways and parking on junctions. She had witnessed a parent parking on the junction to Fairfax Crescent and letting their child exit the car and run across the road in front of her car causing her to have to brake suddenly.

Kelly Thornham, a Labour Candidate for Town Ward, is working with us, the local councillors, the local authority road safety officers, and the Police to put further measures in place to ensure the safety of children walking to and from school. If you have any views or evidence of the issues, she would like to receive them to build a picture of the situation. She doesn't want anyone to be identifiable in any photos sent to her and asks that photos do not include children in them. She can be contacted via Facebook Messenger or via WhatsApp on 07931 047738.

School Places

We have spaces in every year group if anyone you know is moving into the village or is dissatisfied with their child's current school. We often take children into Withinfields from other schools and their parents usually say within a few weeks that they wished that they had moved them sooner. If you are aware of anyone requiring a school place at Withinfields, please tell them to either email me

on helen.york@withinfields.calderdale.sch.uk or ring the school office on 01422 363581.

Year 6 assessments

Due to the short half term, we have delayed the Y6 assessment week to next half term. Y6 children will take part in assessments between 26th February and 8th March.

Parent Communication

We have altered our systems to include both mums and dads for all children where we hold their information within our circulation of newsletters etc.

If you are a parent and you don't receive this newsletter by email, this may be because we do not hold your email address. If you wish to have your email added to your child's details, please contact the school office.
