### DATES FOR YOUR DIARY

Events coloured in green are either those which are funded by our enrichment pot or events that contribute to the pot as fundraising. Thank you for your support.

### **Buns and Toast Sponsor of the week**

We are delighted that **Balloon Enthusiast** have donated funds to ensure that all children can have a bun and toast that would like this week. Thank you!

If you have a company that would like to sponsor a week or you wish to do it as a family, please let me know on ClassDojo or via email and I can let you have details of how to pay. You can use it as an opportunity to raise awareness of your business through being named in the newsletter, take the credit yourself or ask to remain anonymous.

### **News from this week**

#### Dance Showcase

The children who have attended our dance club have performed at a showcase at Park Lane Academy this week. Miss Mitchell was incredibly proud of them and they also performed in assembly on Thursday morning. They have clearly worked very hard and shown dedication to learn the moves! Well done, everyone!

#### Ukulele Gig

The children who have attended Ukulele club have performed their first gig in KS1 endeavour assembly today! Mr Shepherd has taught these children to play the ukulele and they have practised at home and school to be able to perform tunes. I was proud of their achievements and impressed with their skills!

#### End of Autumn reports

You should have received your child's end of Autumn term report. As explained in a previous newsletter, these are a response to the parental questionnaire last year whereby parents asked for more regular information. You will receive another one at the end of the Spring term. We hope that you find these useful. If you want to provide any feedback, please complete [this form](#).

### **Information for the first week back to school**

#### Green Innovators

We are looking forward to taking part in a project to develop our behaviour in protecting the planet and environment. We will be welcoming a 'Green innovator' to an assembly in the first week back to school and this person will then work with the Y5 children to develop a project linked to us sorting our waste more effectively so that we can recycle more effectively. Each class has developed some questions this week to ask when we have our visitor and we will keep you informed as our project takes shape.

### **Other information**

#### Science Fair

A poster is attached for this event which Miss Binns is organising. If your child wants to know more, they can talk to Miss Binns after the holidays. Please register your child for this event if they want to take part. They can use their time over half term, maybe, to prepare their project.

#### World Book Day

This is taking place on Thursday 6th March. Children may dress up as a children's book character on this day. If they would not feel comfortable dressing up, they are very welcome to wear their school uniform that day.

#### Girls' football information and Invictus well-being event

Please see the foot of the newsletter for information about girls' football sessions for children aged 3-6 and a Summer Bash held by Invictus well-being.
