### **Buns and Toast Sponsor of the week**

We are delighted that **Dickies Tiles (possibly the best tile shop in Britain!)** have donated funds to ensure that all children can have a bun and toast that would like one for the next few weeks. Thank you!

If you have a company that would like to sponsor a week or you wish to do it as a family, please let me know on ClassDojo or via email and I can let you have details of how to pay. You can use it as an opportunity to raise awareness of your business through being named in the newsletter, take the credit yourself or ask to remain anonymous.

### **News from this week**

#### Poetry Slam

It was a pleasure to watch some of our Y6 children performing the poem that they had written and learnt on Tuesday. The event was held at The Victoria Theatre in Halifax and included performances from a number of schools. Our children performed with confidence and really enjoyed the experience, even if they were a little bit nervous heading up to the huge stage! I was incredibly proud of them all!

#### Choir Competition

The newly-formed school choir walked to Halifax Minster on Wednesday to perform in a choir competition. This was their first public performance and they were excited but a little nervous at performing in front of an audience. They had no need to be nervous as they were amazing! They performed our school song, School on the Hill, both singing and signing at the same time with huge smiles on their faces! We were up against some very strong competition with choirs that had lots of years of experience. We were therefore delighted and very proud to be crowned with the 'Most entertaining performance' award. Well done to everyone involved and thank you to the convoy of staff who brought their cars to give the children a lift back up to save them a walk up the hill on such a hot day!

### **Information for next week**

#### Enrichment activities

We have a busy week next week with lots of activities taking place which are possible due to the donations that we receive through bun money and other fundraising activities.

Year 3 are going to visit Yorkshire Sculpture Park which links to the work that they have covered this year in Art.

Ireland are having their Forest Stay and Play event on Friday.

Please keep an eye on ClassDojo for updates from classteachers about these events so that you know what the children need or what times events are taking place.

#### Y5 Fire Safety talk

The fire service will be visiting on Wednesday to talk to the Y5 children about fire safety. They may come home afterwards with information about keeping your homes safe from the risk of fire. Please encourage them to discuss what they have heard with you.

### **Other information**

#### Summer Fayre preparation

It's a few months away but I wanted to ask families to start searching for prizes for our tombola. This is often one of our most popular stalls at the Summer fayre and it is always good to have lots of prizes. If you have any unused items that you would like to donate, please put them to one side. We do not have the space in school to start collecting these at the moment but please bear us in mind before donating them to charity shops. Items like toiletries, candles, children's toys, ornaments, gift sets etc are all really appreciated. We will be able to start accepting these into school after half term so please make a start in collecting items together at home.

## Improving Attendance Information

What is the rule about sickness and diarrhoea?

If your child has sickness and diarrhoea, they must stay off school until 48 hours after the last bout of illness. If they were last sick in the morning, you are welcome to bring them in for the afternoon session 2 days later.

If your child has a diagnosed medical condition which results in them having diarrhoea, please let the office know so that we can make a note on their records and discuss specific arrangements for them.
