3.7.26	Belgium
10.7.26	Switzerland
17.7.26	Finland

### Buns Sponsor of the week

Many thanks to Gateway4Asia limited who sponsored the buns today. We still have a few weeks left if you are still interested in sponsoring!

If you have a company that would like to sponsor a week or you wish to do it as a family, please let me know on ClassDojo or via email and I can provide bank details. You can use it as an opportunity to raise awareness of your business or ask to remain anonymous. It costs £40 a week.

Our Enrichment pot, which all donations for buns goes to, pays for all school trips and special workshops within school for our children so that parents are not asked to pay for these. The events which are highlighted as green in the dates show the events that this money helps to fund.

### Special mention of the week

It was lovely to see so many children receive their 100% attendance certificates this week. There was an array of colours from those achieving their first certificate as they have had their first half term of 100% attendance to 31 children who achieved their blue certificate, meaning that they haven't yet had any absence this year.

### Important information

Y1 will be completing their statutory phonics screening checks next week. Good luck to them all!

### Other information

**Offline challenge** - There is a choice of activities this week for the offline challenge! Children could either create a World Cup Wall Chart to keep track of all the matches as they take place or create a poster to encourage a team of their choice to win!

**Multiplication Tables Check** - Well done to the Year 4 children who have been working so hard this week in preparation for the multiplication tables check. Many of the children have now completed their check and the final ones will take place next week. We are really proud of how hard the children have worked to prepare for this important statutory check.

**Nut-free school** - We are a nut-free school due to the fact that we have children and staff with a nut allergy. We have noticed that some children are bringing nut products or sandwiches with Nutella or similar products as the filling. This could prove dangerous to those with an allergy. Please refrain from sending nuts or nut products in your child's packed lunch.

**World Cup Fantasy Football League** - Ever dreamed of winning the World Cup? Well here's your chance with our fantastic Fantasy Football competition. All you need to do is pick a team of 11 players from the list of competing countries shown in the table. You don't have to worry about playing positions. The cost of a player from each country is shown in the table & you can spend up to & including £100. You can pick as many players as you want from the same country as long as you don't go over the £100 budget.

Your team will score 5 points for every goal scored by each country you have chosen. For example, if you have 3 players from a country that scores 2 goals you would score 30 points. Simply pay via School Gateway and then a team sheet will be sent home for you to complete. Complete your team sheet & send it back in to school. We'll take a copy so we can keep track of scores & give you back the original so you can follow your team's progress. You could even have your own competition within the family! Each entry costs £2.00 with prizes for the most successful teams. Good luck!
