| 3.7.26  | Belgium             |
| 10.7.26 | Switzerland         |
| 17.7.26 | Finland             |

### Buns Sponsor of the week

We haven't had a bun sponsor this week so the extra buns have come out of the school budget.

If you have a company that would like to sponsor a week or you wish to do it as a family, please let me know on ClassDojo or via email and I can provide bank details. You can use it as an opportunity to raise awareness of your business or ask to remain anonymous. It costs £40 a week.

Our Enrichment pot, which all donations for buns goes to, pays for all school trips and special workshops within school for our children so that parents are not asked to pay for these. The events which are highlighted as green in the dates show the events that this money helps to fund.

### Special mention of the week

It was lovely to have lots of parents in school this week. Firstly, we welcomed Y4 parents for a cookie making workshop on Wednesday morning. This was the finale of the children's Design Technology unit where they had designed their own cookie. The hall certainly looked as though everyone had had fun by the end! In the evening on Wednesday, we met lots of our new and existing parents at our Reception and Nursery transition event. It was lovely to see so many excited children, looking forward to starting either in Reception or Nursery in September!

### Important information

Assessments are taking place over the next few weeks for Y1-5, please see diary dates for information about when your child's will be happening.

### Other information

**Offline challenge** - Another one linked to the World Cup! Practise doing 'keepy uppies' and send your classteachers a video of your best performance. For those that don't know, keepy uppies involve the skill of juggling a football using the feet, thighs, chest, shoulders, and head without letting it touch the ground. See how long you can last for!

**Phonics Screening Check** - Well done to the Year 1 children who have completed their statutory Phonics Screening Check this week. We are hopeful that we are still above the national average in the proportion of children achieving the expected standard. We won't know for certain until the pass mark is published.

**Second-hand uniform** - If you have got to the stage where your children have grown out of their uniform or lost multiple items, please request second-hand items via [this link](#) so that they can continue wearing uniform until the end of the year. Once the form is complete, we will put a pack together and send it home with your child. Equally, if you want to make use of this service so that your child has uniform ready for September, please complete it with the sizes etc that they will need then. We have stacks of uniform and it seems a shame that it isn't passed on to someone to use as well as saving the planet by recycling!

**Summer Fayre and Summer Raffle** - We are looking to start collecting items for our Summer Raffle including vouchers or offers from local companies and businesses. If you are able to offer anything, please send it in to school or let the office know what you are able to offer so that we can include it in the draw. We are also looking to collect items for our tombola staff. If you have anything that you wish to re-gift to us for this stall, please send them in to the office. Remember, all proceeds from the Summer Fayre and Summer Raffle support us in being able to offer all children free trips every year!

**Helmets** - I showed the KS2 children a video about a child who suffered damage to his brain after falling off his bike while he was not wearing a helmet. The children were shocked with how a simple fall could result in such life-changing injuries. We still, however, have a large number of children arriving on bikes and scooters with no helmets. Please ensure that your child wears their helmet when coming to school on their bike or scooter or when playing out.
