Buns and Toast Sponsor of the week

We are delighted that someone who wishes to remain anonymous has donated £40 this week to ensure that all children can have a bun that would like one. Thank you!

If you have a company that would like to sponsor a week or you wish to do it as a family, please let me know on ClassDojo or via email and I can provide bank details. You can use it as an opportunity to raise awareness of your business or ask to remain anonymous.

Our Enrichment pot pays for all school trips and special workshops within school for our children so that parents are not asked to pay for these.

Special mention of the week!

We were really impressed with Y4's artistic flair this week. Roger Davies, a local artist, came in to work with the children. He showed them some of his work and explained how he creates his special style of artwork then supported the children in replicating his style, painting a picture of the school. The work produced will be displayed at the Art and Crafts Festival at church later this half term. Details of this will be publicised in our newsletter in case Y4 parents want to visit the exhibits!

Important information for next week

Parent election - The information about the ballot for the new parent governor will be sent home next week. Sorry for the delay in this.

Other information

Lost property and spare uniform - Mrs McCulloch has already collected about 50 jumpers and cardigans, without names in, from around the lost property areas within school. She kindly washes these and puts them in our spares stock. If your child has lost a cardigan or jumper or if you need additional uniform of any sort, please complete this [stock order form](#) and we will send items home, free of charge. If you are ordering extra items of uniform and want to make a small donation for this, you can do this via School Gateway.

Bicycle and scooter helmets - Lots of children actively travel to school, some walking, some scooting and some riding their bikes. It is great that this reduces the number of cars that could be in the vicinity of school. Please can all parents ensure though that their children wear a helmet if travelling to school on a bike or scooter. No matter how young or old the child is, it is vital that they understand the importance of wearing a helmet. Please also talk to children who ride to school unaccompanied by an adult about being courteous of other road and pavement users and about the safety of themselves.
