 Yoghurt

16th September 2022

News from this week

The Queen

We have been remembering the life and work of Queen Elizabeth II this week in our assemblies. We have remembered the fun that Her Majesty liked to have as well as her interest in sport and the organisations that she was patron or head of.

The children understand that Monday is a time for the nation to show respect to the Queen and a time for her family and the nation to remember her.

Hopefully, you will all have seen the text message or ClassDojo message confirming that school will not be open on Monday.

Photographs

The children have had their photographs taken today and all looked very smart! Once we have received the proof copies, we will distribute them to you in case you wish to purchase any of them. It is likely to be within the next two weeks.

Poetry Festival

The children from Year 1 to 6 have all brought home a leaflet with poems on for them to learn for the poetry festival. They need to learn these ready for performance in class at the beginning of October and the best three will go through to the festival. Good luck, everyone!

Information for next week

Coat Swap

We are organising a coat swap next Friday morning from 8am. If you have any warm winter coats that your children have grown out of, please send them into school next week. On Friday, we will then display these so that anyone needing a coat for their child can come and try them on. We will not formally charge for anyone to take a coat but if you would like to make a small donation, this would go towards the enrichment pot.

Other Information

Well done!

Well done to everyone for quickly adapting to the new start times for the school day. Most children have been present for register at 8.40am. Nursery continues to start at 9am but Mr Blackburn will open his door a little earlier than this so that nursery siblings of children in school can be dropped off without waiting for 20 minutes!

Please can we remember that the school day does now finish at 3.10pm and children should be collected at this time.

Reception Eye Screening

The school nursing team visit school to carry out vision checks on our Reception children. This is an opt out check in that they will check your child's vision unless you opt out. Further information has been distributed with contact details should you want further information from the school nursing team.

Free Magazine

We have found out about a free magazine that is available for children aged 5 to 9 years of age. To find out more, visit <https://www.lego.com/en-gb/life/magazine>
